## Higher Level Apprenticeships

---

An Apprenticeship is a job with training where you work and go to college part time, often one day a week, to get the professional qualifications you need. A Degree Apprenticeship combines working with studying part time at a University.

To find an Apprenticeship visit [www.gov.uk/apply-apprenticeship](http://www.gov.uk/apply-apprenticeship). You can also apply by searching online or by applying to the Apprenticeship department of colleges or training providers.
